DISPATCH NO. NAV-A-2274

CLASSIFICATION

DATE: 29 December 1948

ALIASATION: E

HEICERSTADT, ERNST

TO : Chief, Foreign Branch N  
FROM : Chief of Station, Vienna  
SUBJECT: General: Operational  
          specific: Pharmaceuticals and Chemicals - NAV-629  
REF : NAV-629, Para 1, d. Wash-4253 (forwarded to Wien only)

1. In reply to request in reference cable for further information on the pharmaceuticals and chemicals mentioned in paragraph 1 & of NAV-629, we have learned from source of this report that the agents offering the stocks claimed they were former Wehrmacht supplies in the hands of former Wehrmacht officers. The stocks were not registered with occupation authorities and were offered in August at prices below the legal market quotations.

2. Source did not know the location of the storage point for these items, their origin, nor whether the Soviets had directly shown any interest in acquiring such materials. Although he could not give the complete list of sources, etc., available, the attached list remained in source's possession and represent at least part of the stocks on hand in August. (List forwarded Wash only.) Source mentions, however, the names of the following people who offered him items from these former Wehrmacht supplies:

Pipov, Jahnstrasse 30, Munich  
Dr. Siebert Wolfgang, Dachauerstrasse 50/1, Munich  
Dr. Pfleider, Montgelistrasse 2, Munich  
Hedrich Emrich, Madelstrasse 1 A, Munich  
Schulte, Imgrund Strasse 17 (I.T.K.), Innsbruck  
Lahr Alvis, Fischergrasse 20-22, Innsbruck

personal

3. Source indicated he would have to make/contact again with one or more of the men mentioned above in order to find out the present condition and location of the stocks. Since his trip would involve our Salzburg Section granting him personal favors, the nature of which would involve us in numerous complicated negotiations with GTO and/or CID, Salzburg has indicated that they would prefer these men be approached directly by the German section.
